information on nearby communities, recreational activities and local facts. Seal the deal with your potential employee's by scheduling a "Lifestyle, Living & Culture" relocation orientation tour. TRT's relocation package containing maps, school, transportation, and local information is included.

Managing Partner, R. Brad Kennedy states: "having come from the high technology industry and personally relocating to the Triangle area two and one half years ago, I would have really valued a relocation orientation tour. What better way to secure your top new hires, middle management or senior leadership talent with our orientation tour service. In today's uncertain economy, ensuring the right corporate cultural fit can pay significant dividends to our corporate clients; we take the time to learn what the executive & family members require when relocating to their potential new community."

About Tobacco Road Tours: As the Triangle area's only daily motorized guided tour operator, Tobacco Road Tours offers packaged tours to Historic Durham, Historic Raleigh, Historic Chapel Hill, Piedmont Wine Country (Haw River & Yadkin Valley), the Sand Hills Area (including Southern Pines & Pinehurst) and Tour du Jour options such as African American Culture & Experience, Boutique Shop Hop's, and Triangle Brewery tours.
